AN OPPORTUNITY TO HOLDERS OF EARLY MATURING  
CANADIAN GOVERNMENT BONDS  
TO EXTEND THE TERM OF THEIR INVESTMENT IN  
THE PREMIER SECURITY IN CANADA

GOVERNMENT OF THE  
DOMINION OF CANADA  
1931 CONVERSION LOAN

The Minister of Finance of the Dominion of Canada offers to holders of the undernoted Dominion issues the privilege of exchanging their bonds into longer dated issues, in the following terms and under the following conditions:

This offer affords to holders of bonds eligible for conversion, the same interest payment and tax-free privileges, for the life of and as contained in the present bonds, and the opportunity of extending the term of the investment at 4 1/2% per annum.

**WAR LOAN 5% BONDS MATURING 1st OCTOBER, 1931**—Holders of these bonds have the privilege of exchanging into bonds maturing 1st November, 1936, bearing interest from 1st April, 1931. The first coupon will be for six months' tax-free interest at the rate of 5% per annum payable 1st October, 1931; the second coupon will be for seven months' interest at the rate of 4 1/2% per annum payable 1st May, 1932; thereafter to maturity interest will be payable half-yearly at 4 1/2% per annum.

**RENEWAL LOAN 5 1/2% BONDS MATURING 1st NOVEMBER, 1932**—Holders of these bonds have the privilege of exchanging into bonds maturing 1st November, 1937, bearing 4 1/2% interest payable half-yearly from 1st May, 1931. There will also be attached to these bonds three adjustment-coupons payable respectively on 1st November, 1931, and 1st May and November, 1932, for additional interest at the rate of 1% per annum.

**VICTORY LOAN 5 1/2% BONDS MATURING 1st NOVEMBER, 1933**—Holders of these bonds have the privilege of exchanging into bonds maturing 1st November, 1938, bearing 4 1/2% interest payable half-yearly from 1st May, 1931. The first five interest coupons, being those to and including 1st November, 1933, will be tax-free. There will also be attached to these bonds five tax-free adjustment-coupons payable respectively on 1st November, 1931, and 1st May and November, 1932 and 1933, for additional interest at the rate of 1% per annum.

**VICTORY LOAN 5 1/2% BONDS MATURING 1st NOVEMBER, 1934**—Holders of these bonds have the privilege of exchanging into bonds maturing 1st November, 1939, bearing 4 1/2% interest payable half-yearly from 1st May, 1931. There will also be attached to these bonds seven adjustment-coupons payable respectively on 1st November, 1931, and 1st May and November, 1932, 1933 and 1934, for additional interest at the rate of 1% per annum.

Conversion applications in the terms of the foregoing are invited to a total of \$250,000,000. The Minister of Finance reserves, however, the right to increase or decrease this amount at his discretion.

Subscriptions will be received and receipts issued by any branch in Canada of any Chartered Bank and by recognized Canadian Bond Dealers and Stock Brokers, from whom may be obtained application forms and copies of the official prospectus containing complete details of the loan. Applications will not be valid on forms other than those printed by the King's Printer.

The subscription lists to the foregoing will open on 11th May, 1931, and will close on or before 23rd May, 1931, at the discretion of the Minister of Finance.

DEPARTMENT OF FINANCE,  
Ottawa, 11th May, 1931.

Dominion Conversion Loan  
Being Rapidly Subscribed

Official announcement is made today of the terms of the Dominion of Canada 1931 Conversion Loan. This issue extends the opportunity to holders of Dominion of Canada War Loan and Victory Bonds now approaching maturity to convert their holdings into bonds extending over a further period of from 15 to 26 years, and marks what may eventually prove to be the greatest financial operation in the history of Canada—the refunding of the heavy volume of financial obligations incurred during the War period.

The offer does not involve the raising of any new money. Not a penny will be added to the national debt of Canada in consequence of the 1931 Conversion Loan. It is entirely a matter of exchanging existing bonds for other bonds of the Dominion. A total of more than one billion dollars of bonds reaches maturity within the next 3 1/2 years. This total is made up of about \$52,900,000 War Loan 5 p.c. Bonds due October 1, 1931; \$73,300,000 Renewal Loan 5 1/2 p.c. Bonds due November 1, 1932; \$446,500,000 Victory Loan 5 1/2 p.c. Bonds due November 1, 1933 and \$512,000,000 Victory Loan 5 1/2 p.c. Bonds due November 1, 1934.

Holders of bonds of these issues are being given the opportunity of continuing their investment over a longer term in the direct obligation of the Dominion Government. They will not lose anything in the way of interest payments or income tax exemption by exchanging for bonds of the 1931 Conversion Loan. It is explained that the new bonds will carry coupons entitling holders to receive up to the date of the maturity of their old bonds, the same interest payments and tax free privileges as they would enjoy if they held their War Loan or Victory Bonds until the actual date of maturity in each case. For the remainder of the term of the 1931 Conversion Loan Bonds, they will carry interest at the rate of 4 1/2 p.c. per annum, which, in the opinion of the leading bankers, is a comparatively generous return in view of the interest rates now prevailing in the London and New York markets.

Conversion applications are now being invited up to a total of \$250,000,000 of the new bonds. It is announced, however, that the Minister of Finance reserves the right to increase or decrease this amount, in his discretion. Subscription lists will open today and will close on or before the 23rd of May, as may be decided by the Government.

Holders of War Loan 5 p.c. Bonds maturing 1st of October, 1931, may exchange their bonds for Dominion of Canada 1931 Conversion Loan Bonds maturing November 1, 1936. The new bonds will not be subject to redemption before November 1, 1936, but from that date until maturity they may be called by the Government on any interest date on 60 days' notice, at 100 and accrued interest. The first coupon on these bonds will be for six months' tax free interest at 5 p.c. per annum, payable October 1, 1931; the second coupon will be for seven months' interest at 4 1/2 p.c. per annum, payable May 1, 1932. All other coupons will carry interest at the rate of 4 1/2 p.c. per annum payable half-yearly on the 1st of May and the 1st of November.

Holders of the Renewal Loan 5 1/2 p.c. Bonds maturing 1st of November, 1932, may exchange their bonds for Dominion of Canada 1931 Conversion Loan Bonds, maturing November 1, 1937. The latter issue cannot be retired before November 1, 1937, but after that date it may be redeemed by the Government on any interest date on 60 days' notice, at 100 and accrued interest. The new bonds will carry regular coupons covering interest at the rate of 4 1/2 p.c. per annum payable half-yearly on the 1st of May and the 1st of November. In addition to the regular coupons, these bonds will carry three adjustment coupons, payable, respectively, on the 1st of November 1931, the 1st of May 1932, and the 1st of November 1932, for additional

interest at the rate of 1 p.c. per annum.

Holders of the Victory Loan 5 1/2 p.c. Bonds maturing the 1st of November, 1933 are being offered the opportunity to exchange their bonds for Dominion of Canada 1931 Conversion Loan Bonds maturing November 1, 1938. These new bonds will carry interest at the rate of 4 1/2 p.c. per annum from May 1, 1931, payable half-yearly on May 1st and November 1st. The first five interest coupons—that is, those due to be paid each six months up to November 1, 1933, will be tax free. In addition to the regular coupons, these bonds will carry five tax free adjustment coupons for additional interest at the rate of 1 p.c. per annum, payable respectively, November 1, 1931; May 1, 1932; November 1, 1932; May 1, 1933; and November 1, 1933. The Conversion Loan Bonds maturing in 1938 will not be subject to redemption before November 1938, but on or after that date they may be called at the option of the Government on any interest date on 60 days' notice, at 100 and accrued interest.

Holders of the Victory Loan 5 1/2 p.c. Bonds, maturing 1st November 1934 are being offered the opportunity to exchange their bonds for bonds of the Dominion of Canada 1931 Conversion Loan maturing November 1, 1939, which will carry coupons entitling the owner to interest at the rate of 4 1/2 p.c. per annum, payable half-yearly May 1 and November 1, commencing May 1, 1931. In addition to the regular coupons these bonds will carry seven adjustment coupons for further interest at the rate of 1 p.c. per annum, payable, respectively, November 1, 1931; May 1, 1932; November 1, 1932; May 1, 1933; November 1, 1933; May 1, 1934; and November 1, 1934. The Conversion Loan Bonds due November 1, 1939 will not be redeemable before November 1, 1939, but after that date they may be redeemed by the Government on any interest date on 60 days' notice, at 100 and accrued interest.

The issue of bonds of the 1931 Conversion Loan is authorized by Act of Parliament, which provides that both principal and interest on all of the bonds is to be a charge on the consolidated revenue fund of Canada.

Principal and interest on the new bonds will be payable without charge in lawful money of Canada at the office of the Minister of Finance and Receiver General at Ottawa, or at the office of the Assistant Receiver General at Halifax, Saint John, Charlottetown, Montreal, Toronto, Winnipeg, Regina, Calgary, or Victoria. Interest coupons will be payable without charge as they fall due at any branch in Canada at any of the Chartered Banks.

The Department of Finance announces that interim certificates in bearer form will be delivered in the first instance in exchange for all War Loan and Victory Bonds accepted for conversion. The interim certificates will be exchangeable at a later date for engraved definitive bonds. The Finance Department expects that the definitive bonds will be ready on or about the 15th of August 1931.

When the definitive bonds are ready it will be possible for holders to obtain delivery of coupon bonds in bearer form or of coupon bonds registered as to principal. These bonds will be issued in denominations of \$100, \$500, and \$1,000. Fully registered bonds, on which the interest will be paid direct to the owner by Government cheque, will also be obtainable in denominations of \$500, \$1,000, \$5,000, \$10,000, and \$100,000.

Applications to convert bonds will be received and receipts issued by any branch in Canada of any Chartered Bank and by recognized Canadian Bond Dealers and Stock Brokers, from whom application forms and copies of the prospectus containing complete details of the new bonds may be obtained. They will arrange for the conversion of bonds without expense to bondholders.

## Frank Oliver Receives L. D. Degree

Edmonton, May 15.—The vision and spirit of 1876, that broke new trails across western plains, hewed new homes out of the northern wilderness and launched an era of amazing development over three great provinces, was exemplified in person here today when Hon. Frank Oliver, P.C., addressed 400 graduating university students, a notable gathering of public men of Alberta and an audience of 1,500 in McDougall United Church.

The occasion was the 23rd convocation of the University of Alberta held for the first time outside university halls, and Hon. Mr. Oliver, first publisher in what is now the most westerly prairie province, and active in the public eye of the west and Canada for 55 years during his residence in Edmonton, in addition to delivering the convocation address to the graduating class, received from Chancellor A. B. Rutherford the

degree of honorary doctor of laws, an honor awarded last year but not presented owing to Mr. Oliver's unavoidable absence from Edmonton at the time.

To young men and women leaving college life for the first struggle with a decidedly stormy world, the former minister of the interior for Canada, who walked beside an ox cart, carrying 800 miles the first printing press and type into Alberta in the Spring of 1880, had words of hopefulness as well as a deeply impressive message on the advantages which modern youth enjoys in the way of education facilities and in the many channels of opportunity which await young men and women in knowledge.

## WELL-KNOWN SUMMER RESORTS

It is said that Canadians are in the minority when it comes to knowing their own playgrounds. Be this as it may, figures reveal that the number of persons entering Canada for vacation purposes shows an annual increase. Canada has much to offer to the tourist in the way of resorts, and Jasper National Park and Minkai in the Lake of the Woods region are among the internationally well known for holiday seekers. The Canadian National Railways maintain high class hotels at these resorts—Jasper Park Lodge, open June 1st to September 30th, and Minkai Lodge, from June 28th to September 7th. The top scene is a view of Minkai Lodge; the bottom scene is a row of bungalows at Jasper.

## "GP" Tires are Custom-Built Quality—Not Mass Production

It's not how fast we build tires, or how many we can make in a day. It's the extra time we take to build them right, and the extra material we put into them that makes them perfect. That's why "GP" Tires last longer. With us it's quality—not mass production. Every tire is custom-built. And they cost no more.

## Drudgery is an Extravagance

FOR five hours today this woman patiently toiled over a washboard... bending, lifting, rubbing... doing the things a tireless little Electric Washer can do in two hours. Day after day, she dusts, sweeps, cleans... doing things a vacuum cleaner would do twice as fast with half the effort.

With Electricity, ever at hand such drudgery is an extravagant waste of time and effort. Hours that now drag slowly by might be enjoyed in doing the things she'd rather do. The woman who wishes golden hours of freedom must first break the shackles of housework. Electricity is ready to help.

The Calgary Power Company representative in your territory can procure for you any item of electrical equipment. He will tell you about the attractive terms upon which you can purchase many electrical appliances—with a small cash payment and the balance on your monthly light bills.

## Apple Blossom Dance

One of the prettiest events of the year will be the Apple Blossom Dance to be held at the Adelphi Hotel on Friday, May 22nd. Thousands of pretty pink blossoms will transform the beautiful ballroom into a veritable garden. No amount of trouble is being spared to make this an affair long to be remembered by dance lovers of Lacombe. The Star 5-piece Orchestra has been engaged for the occasion and will present an entirely new program of the very latest dance hits. For the accommodation of those who do not wish to dance, tables will be arranged in the rotunda of the hotel, where cards may be played. The Apple Blossom Dance held last year was a wonderful success, and an even greater dance is anticipated this year. Don't miss it.

## No Longer Bilious—Thanks Vegetable Pills

Mr. William Touche announces that he will be in Lacombe on Tuesday through the month of June, and any wishing his help in music during that month, or longer, are asked to write him at either Wetaskiwin or Lacombe.

Remember the Sale of Baking to be held in the balcony at A. M. Campbell's store on Saturday, May 23rd at 2 p.m., sponsored by the Meadowbrook Ladies' Aid. Proceeds to go to the building of the church.

On Sunday Lacombe experienced one of the heaviest gales in years. The wind blew all Saturday night and continued with increased violence all through Sunday. The air was filled with clouds of soil from the adjoining farms, and motorists were compelled at times to stop on the roads until the dark clouds cleared away. In the evening snow began to fall and continued all day Monday, giving much needed moisture in abundance.

Under the auspices of the Lakeside and Lacombe Women's Institutes the usual annual Baby Clinic will be held on Monday and Tuesday, June 8th and 9th, from 10:00 to 12:00 a.m. and from 1:30 to 5:00 p.m. each day. The clinic this year will be held in the Town Hall, over the Fire Hall, and Miss Jones, the Nurse in charge asks that as many children as possible be brought in during the morning hours in order that she may be enabled to give efficient service.

Those who heard Rev. Dr. T. H.

Mitchell at the United Church on Sunday last, came away with a renewed hope and faith in the Christian church. A speaker of a personal charm and with a deep abiding faith in the future of the Church and the religion which he presented to his congregation, Dr. Mitchell struck a responsive chord in the minds and hearts of all his listeners. It is to be hoped that Lacombe may have the privilege of hearing Dr. Mitchell again at some future time. If any of those members who were unable to be present because of the adverse weather conditions would kindly leave their special contributions with Mr. Jas. Finlayson, or place them on the collection plate at another time, the Finance committee would be greatly obliged.

Delegates brought reports from the Branch Conference at the regular meeting of the W.M.S. held at the home of Mrs. A. R. McFadden, on Tuesday afternoon. Many of the members signed the Peace petition. Mrs. Misener read a bit of instruction, "Get, Give and Live." Mrs. P. McDonald called attention to several Watch Tower items in the Missionary Monthly, and Mrs. Geo. Ramsey and Mrs. Misener conducted the devotional exercises. The postponed meeting at Hobema will be held on Thursday, May 28th. All members will meet at the United Church, from which place cars will leave at 1:30 p.m. A resolution was passed to invite the Auxiliaries of Spring Valley, Eclipse and Olive to the next regular meeting which will be held in the school room of the church.

### NEW REST ROOM

Jenkin's Groceries has opened a rest room in their store for the convenience of their customers. Hot and cold water and lavatory in connection. This should be a great boon to the women from the country.

**WEDNESDAY HALF HOLIDAY**  
The usual Wednesday half holiday will begin first week in June and continue until further notice is given. All stores will close on Wednesday afternoon, except in cases where the regular statutory holiday in the same week.

The L.O.D.E. will hold a Silver Tea and Book Shower, Saturday afternoon, May 23rd, in the Library Room over the town offices. Any books, either new or old, will be acceptable.

**CARD OF THANKS**  
I wish to thank the friends also the doctors and staff of the Hospital for their sympathy and kindness during my illness, and the illness of Mr. Baptiste.  
Mrs. Baptiste and Family.

**A NEAR FIRE**  
During the high wind on Sunday afternoon, fire was discovered in the rear of the Cozy confectionery store, having evidently been started by a cigarette stub or a spark from a nearby chimney. Fortunately the incipient blaze was discovered in time to avert a serious conflagration. The fire had gained considerable headway, and had burned through the door in a shed in the rear of the premises.

### News Notes From Meadowbrook District

Church services will be held in the school house on Sunday, May 23, and we hope this will be the last service held in the school house. On Sunday, June 7th, we expect to have Rev. Dr. Powell, of Calgary with us to dedicate our new church.

A bad contest was enjoyed at our last Ladies' Aid Meeting, prizes going to Miss Wetstone and Mrs. Wm. Erickson. Next meeting to be held on June 13th, at the home of Mrs. Erickson. Plans will be made for our picnic on July 1st. Remember the sale taking at M. Campbell's store on May 23rd.

**Will Hold A No-Accident Summer**  
Mayor Houde, of Montreal, has issued a proclamation that the period until May 20 in that city is to constitute the start of a "no-accident" summer.

This is the most ambitious civic venture of this kind yet reported. There have been countless safety weeks, fire prevention weeks, and so on, but the setting aside of a whole

summer is a new step. It sounds, on the face of it, even more impracticable than most of the special weeks have proved in the past. Yet due consideration brings one to the opinion that there is a great deal to say in favor of the scheme.

The trouble about weeks that are set aside is that they tend to be regarded as periods for special preparation, and that those who do observe them subsequently revert to their normal attitude toward whatever danger is indicated—an attitude of semi-apathy—yet summer is a season when more threats exist to life and property than at any other. We in Alberta know what the advent of forest fires mean. People all over the Dominion know that coming of auto tourists increases the hazards of the street and the highway. It is especially because of this latter peril that Mayor Houde's proclamation has been made.

The coming summer would be an excellent time for adoption of a similar plan, not merely in Calgary but in Alberta generally. Already a start has been made to tighten up control of motoring, and institution of a "safety lane" has brought significant results. Forest fires promise to be worse this year than for over a decade, and our first taste of these has been bitter. The complete destruction of a building on the Calgary Exhibition Grounds last week presented an example of the fire danger in the city—accentuated, as it is in the forest by the prevailing dryness. Later in the year the annual dangers of the hunting season will appear, and the annual warning about care of firearms will be sounded, and forgotten, after the first accident has occurred. The tourists will soon be in Alberta with their cars.

The coming summer would be a good time for a drive for protection—protection of forests and buildings from fire, of human beings from traffic and firearms. The argument against such drives is that the average person is careful of these things anyway and others cannot be induced to change their ways by mere printed and vocal warnings. It is doubtful how far this argument carries weight. Now, during a time of emergency, is the moment to impress the careless citizen with the possible significance of his carelessness. —Herald.

## The Wrigley Trophy

The above reproduction is of the Wrigley Trophy, presented to the Canadian Amateur Swimming Association by the Wm. Wrigley Jr. Co. of Canada, for the Ladies One Mile Swim, to be held at Gull Lake on July 25th, 1934. The trophy for the Gentlemen is exactly like this one, with the exception of the two lady figures on the base, and "Men's" is engraved in the place of the word "Women" on the face of the cup. The miniature cups are exact replicas of the large cups, and with the presentation of Gold, Silver and Bronze medals the cost to the Wrigley Company is enormous. On the day of the Wrigley Swims, there will also be held the Gentlemen's 220 yd. Championship and the Ladies' 100 yards Championship, the winners receiving Gold, Silver and Bronze medals. The Alberta Championship Canoe Races will also be run this day, as will several Outboard Motorboat Championships, also a diving exhibition and Canoe Novelty Races. It is planned that in the neighborhood of 10,000 people will be present at the lake that day, and nothing is being overlooked that might

aid in making July 25th, the outstanding Sports Day ever held anywhere in Alberta.  
We have at present some twelve entries for the Wrigley Swims; these have been received from the City Clubs in most part, with one from Winnipeg Swimming Club; G. McGregor of Provost and Claude Halpin of Lacombe are the only two from smaller towns to apply for entry in the race. We thank them.  
Sheila Ritchie again walked off with the honors Monday evening by winning the cup for the 50-yard indoor provincial championship swim for ladies and a second cup for ladies' open diving during the Foot-hills City Ladies' Swimming Club gala at the Crystal swimming pool. Miss Ritchie also won the 100 yard girls' club race and led her team in the 35-yard girls' relay race against Ruth Murray.  
Arthur Warner won the provincial championship 100-yard indoor race when he was decreed to be the winner over Tommy Lees.  
The above four outstanding Albertan Swimmers will be at Gull Lake on July 25th.

## Drive 42,500 Tons at 25½ Knots

The largest cast bronze propellers in the world are seen above in this unique view of the after end of the new 42,500 ton Canadian Pacific liner "Empress of Britain". These huge screws, the two larger ones each weighing 25 tons, and the smaller pair 17½ tons apiece proved their ability during recent trials to drive this new palatial ship through the water at a speed of 25.5 knots.  
Another outstanding feature of the picture is the huge rudder, which weighs 67 tons. This huge helm was preceded during the journey by a construction gang which removed telephone poles and other obstructions encountered on the English roads.  
Lower left is an inset of the Empress of Britain as she steamed over the measured mile at the fastest speed developed by a new British liner since the war.  
The Empress of Britain sails from Southampton May 27th, and is due to reach Quebec five days later.

Only choice leaves grown at high altitudes go into the blending of Blue Ribbon Tea. That is why its flavor is so uniformly excellent. Insist upon getting it from your grocer—refuse substituting of inferior quality.

#### Grocery Department

It is the natural desire of every housewife to buy quality goods, and thus serve the very best on her table. The volume of business handled in our department means a rapid turnover, and this in itself is an assurance that our goods are always fresh. We furnish a free delivery service and you have the privilege of ordering by phone if it is more convenient than personal shopping. We insist on giving quality and service, and with fair prices we feel that our store should be an ideal shopping place.

For this week-end our window display will consist of: Fresh Strawberries; Spinach, New Cabbage, New Carrots, Celery, Rhubarb, Lettuce, Tomatoes, Cucumbers, Fresh Pineapples, Grape Fruit and Oranges of various sizes.

Lacombe Girls Win from Blackfalds 26-6

On May 15th, the Lacombe School Girl's Basketball Team defeated the Blackfalds girls 26 to 6.

Blackfalds lined-up:

Centre, Doris Miller; Forwards, Mabel Martin, Doris Hanna. Guards; Jean Long, Liz Bennett; Subs; Margaret Long, Mildred Miller.

Lacombe Line-up:

Centre, Jean Minkler. Forwards; Jessie Hay, Ethel Boys.

Guards; Maxine Fitzpatrick; Dorothy Sweet, Margaret Aldwin. 1st.

1st Period—The Lacombe girls started off with the knowledge that they would have to play the full four periods without relief, as their only sub was not able to play. In the first period, Jean Minkler scored. After the toss-up the ball reached Ethel Boys who tried for the basket, and failing, passed it to her centre who scored. Four—nothing! After two more shots for Lacombe the first period ended 8 to 0 in favor of Lacombe.

In the second period, the Lacombe girls were over-anxious, and fouled Blackfalds twice. Neither of the free shots went in. During this period the Lacombe centre scored 3 more goals and the score was raised to 14, with nothing for Blackfalds.

In the third period the Lacombe forwards came to the fore, the guards played hard, but the period ended 22 to 4.

In the last period, Blackfalds only succeeded in breaking the line of defence once, and although they played hard and rather roughly, the final count was still in favor of Lacombe 26-6.

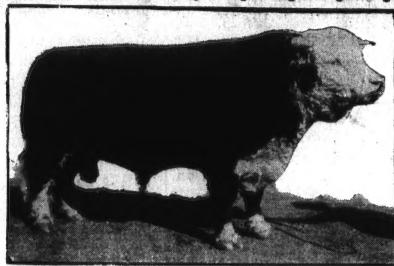

The Lacombe girls played hard and well, with perfect combination and teamwork. Blackfalds was rough, but played surprisingly well considering the amount of practice.

Here's hoping the Lacombe "Decimates" victories do not end at this game, but at the defeat of the "Grads."

L.H.S. Giants lost to Stettler in a hard fought baseball game on Saturday, the score being 9 to 3. The Cubs lost 25 to 17. Both teams played hard.

### Clive News

The local school girls journeyed to Stettler on Saturday afternoon, May 16th and took them by surprise, defeating them by the score of 18 to 12. No sooner was the game over when a violent dust storm arose and raged all Saturday night and Sunday. Through Sunday night snow interspersed the dust. It is still

### World Peace

There is no more hopeful augury for the future of the world than the most universal will to peace on the part of the masses. The basis of this is goodwill between nations. It is not so long ago that the cry was for disarmament on economic grounds. But most well-wishing pacifists seem to have realized that the theory that disarmament will prevent war is fallacious for it does not take account of secret armament—the most dangerous of all. We shall be told that the League of Nations has control over the armament of its member powers. Yes, but what if the non-member powers. Besides, war after all is not merely a thing of so many guns, and so much tonnage of fighting ships. War is a cancer in the heart of nations which mere disarmament can not cure. There must be goodwill.

Perhaps it was some such process of reasoning that those responsible

for the insertion into our calendar of 'days' and 'weeks' of this Goodwill Day arrived at their determination and a world war weary and fearful of war will wish them good luck in their brave adventure.

Yet what is this about being on the verge of war? The warning is solemnly sounded by men and women who can not with justice be classed as scaremongers. And in the very next column we read of the scrapping of battleships, of the reduction of armed personnel. Whence then this fear of war? Is it not because we have not discarded our prejudices and our suspicions and our malice, (believing quite wrongly that they cost us nothing) with the same eagerness with which we throw away our armaments and scuttle our warships believing (equally wrongly so long as we accept the other fallacy) that they are merely expensive playthings.

Disarmament will not be achieved nor wars cease till goodwill is universal. For weapons are but the tools of soldiers and soldiers are but the servants of the state; charged with the task—have we sufficient thought of this?—of restoring peace

#### A NEW RECIPE

Here is a treasure of a recipe for a dainty confection to be served on any occasion which demands light refreshments. It is especially attractive and wholesome form of sweet to offer children.

#### MARGUERITES

Paulin's Peerless Cream Sodas;  
1 cup sugar,  
1-2 cup water,  
1 egg white,  
1-2 teaspoon lemon juice,  
1-4 cup chopped nut meats.  
Boil sugar and water until a thread forms when the syrup is dropped from a spoon. Beat egg white until

stiff. Pour hot syrup slowly into the egg, beating continuously. Add lemon juice and continue beating until the mixture is stiff. Stir in nut meats and spread on Paulin's Sodas. Place the Peerless Cream Sodas on a flat baking sheet or shallow pan and brown in quick oven.
